

For our summer examinations, 1st, 2nd and 5th Yr students, information regarding assessments will be available next week. We are planning a two week period beginning Monday 18th May.

It is recognised that amidst this pandemic, life is challenging, particularly for our examination students. Again, on behalf of the Board of the Governors, teachers and staff, we wish to assure you that every effort is being made to support and improve the home study and online learning. Your recent feedback via the parent/guardian online survey has been very much welcome. Changes are being taken in response to your feedback. Please keep checking the school website as it is regularly updated with useful links and information.

Just a reminder that it is important for our children's well-being to seek safe exercise times, in line with the advice of the HSE with regards to physical distancing to help avoid the spread of the Covid-19. Also, with advances in on-line social media, it is hoped that the students regularly keep in touch with each other for their social well-being and friendships. This is the best we can all do in these times.

As previously said, please do not hesitate to contact the school should you require any assistance. While we may not be physically open, we are online and at the end of a telephone. We continue to be there to support your son/daughter with effort, determination and teamwork.

Yours sincerely

Jonathan Graham
Headmaster

Rory McKeague
Deputy Principal

School contact number: 089 235 8586 between 8am and 4pm Monday to Friday.
