DUNDALK GRAMMAR SCHOOL

Summer examinations for 1st / 2nd 5th Yrs

The summer report will be based on work submitted by students since January. Teachers will produce an average grade, H1, H2 etc and Merit/Distinction or A, B, C for 1st and 2nd Yr students. These reports will include student engagement with online learning, i.e. an online effort participation grade. However, a consideration of the student's ability to participate with online learning that may have been impacted upon by family circumstances and/or availability to broadband, will be taken in account.

TY school reports

TY students will receive a school report in June based on Module 3 (6th January – 6th March) and Module 4 (9th March – 17th May). Module 4 subjects may include credits and comments based on student engagement in online learning, submission of TY Portfolios and continuous assessment by subject teachers.

The accurate emailing of your child's/ren's reports to you will depend on the school having your correct email address. Please feel welcome to email Audrey at admin@dgs.ie and she will cross reference your email address with the email address we have on our system.

Yours sincerely
